

DOMINION OF KEITHIEOPIA

December 23, 2022

His Excellency

Grand Duke Ander Evermore

Peoples' Constitutional Monarchy of the

Arcanum of Relica

Dear Grand Duke Evermore:

Upon receiving your diplomatic communique via Discord, The Dominion of Keithieopia is ready to formally recognize your nation. The Dominion shares your nation's enthusiasm for nature, having undeveloped territory that is part of a delicate ecosystem in a tidal region.

The Dominion requests that you provide a coat of arms or a flag, so that it may prominently be displayed on the Dominion's national website.

While reciprocation of recognition is not necessary, the Dominion of Keithieopia would greatly enjoy such, strengthening relations between our two countries.

With Great Respect,

Keith of Keithieopia

Emperor of the Dominion of Keithieopia
