

## DOMINION OF KEITHIEOPIA

January 2, 2023

Their Royal Highness  
Willow Dziedzic I  
and  
Leader of Hokoria  
Laurel Mary Bäch

Dear Willow Dziedzic I and Laurel Mary Bäch:

The Dominion of Keithieopia shares great respect for your nation and for the larger LGBTQIA+ community. I am writing to state that the Dominion of Keithieopia has formally recognized your nation and has already updated its website to reflect such.

Furthermore, the Emperor would greatly appreciate if he could maintain a presence on your Discord server as a foreign dignitary to maintain diplomatic ties between our two countries.

The Dominion greatly hopes that our two nations can grow together and form a lasting friendship.

With Great Respect,

*Keith of Keithieopia*

Emperor of the Dominion of Keithieopia
