

## DOMINION OF KEITHIEOPIA

December 24, 2022

His Majesty  
King Reuben I  
Kingdom of Salanda

Dear King Reuben I:

Upon receiving your diplomatic communique via Discord and invitation to your nation's server, the Dominion of Keithieopia is formally recognizing your nation. The Emperor shares in your nation's enthusiasm of chocolate éclairs, perhaps a little too much at times.

The Dominion greatly appreciates the friendliness shown by your actions and has already updated its website to reflect recognition. While reciprocation of recognition is not necessary, the Dominion of Keithieopia would greatly enjoy such, strengthening relations between our two countries.

With Great Respect,

*Keith of Keithieopia*

Emperor of the Dominion of Keithieopia
